Krshya who obtained 9As in her SPM, incorporated melodies from her favourite music to make songs about the different topics in her subjects.

SMK Bukit Bandaraya student Krshya Selva Kumar created a system for herself which led her to score straight As in her Sijil Pelajaran Malaysia (SPM) 2019 examinations.

She drew diagrams, charts, created her own acronyms and mnemonics, and incorporated melodies from her favourite music to make songs about the different topics in her subjects.
