VICTORIA Institution (VI) survived a late onslaught to beat La Salle Brickfields 3-1 in the MSSKL Under-18 Bangsar Zone Soccer tournament at the VI ground in Kuala Lumpur yesterday.

VI dominated much of the match and took their chances well.

Striker S. Karthik scored one goal in either half to put VI 2-0 ahead and midfielder Firdaus Din then scored VI's third in the 55th minute.

La Salle threw everything into attack after that and managed to pull one back in the 60th minute through Affidzi Ghafar.

The goal got them going and they went forward at every opportunity but were let down by poor finishing.

In the Under-15 category, the 3rd-4th placings and the final that was scheduled to be played yesterday at the La Salle Brickfields ground was postponed to Tuesday due to poor pitch conditions. The matches will now be played at the VI school ground.
