T. SHANINI Louise only took up athletics last year but proved to be natural when she surprisingly won the Girls' Under-18 800 metres in the KL Schools (MSSKL) Athletics Championships at the National Stadium in Bukit Jalil yesterday.

Shanini, 16, representing Bangsar Zone, clocked 2:38.1s to improve on her personal best by six seconds. A Form Four student of SMK Bukit Bandaraya, Shanini hopes that her time was good enough to be selected to represent the State at the Malaysia Games in Kedah next month.

"I want to go far in athletics and hope one day to represent the country," she said.

Meanwhile, national junior athlete Teong Sui Men bagged another two gold medals yesterday in the Girls' Under-18 100m and 4x100m. However, she was unlucky not to equal the 100m record, missing it by just 0.1s. She clocked 12.5s to take the gold medal in this event. On Monday, the 16-year-old won the 400 metres.

The SMK Sri Sentosa student will be making her attempt to win her fourth gold medal in the tournament in the 200m today.
