KUALA LUMPUR, Aug 11 (Bernama) -- Four hundred students from six schools in Lembah Pantai received 1Malaysia laptops under the National Broadband Initiative programme today.

Federal Territories and Urban Wellbeing Minister Datuk Raja Nong Chik Raja

Zainal Abidin said the laptops were given to the needy students.

"The computers are provided to bridge the digital divide between urban and rural students," he told reporters at the handing over ceremony of the laptops at Lembah Pantai community centre here.

The recipients were students from Sekolah Menengah Kebangsaan (SMK) Seri Pantai, SMK Bukit Bandaraya, SMK Dharma, SMK Methodist, SMK Petaling and SMK Bangsar.
